

Hi Everyone. On Monday we received the components to complete our demonstration Majik DS Aktiv System. Until this arrived both Dean and myself would not have been happy with less than an Akurate system at home. This Aktiv Majik System really rocks!!

On demonstration for the first time ever in NZ.....

The Unique Majik DS Aktiv System.

Music played just like the musicians played it.

System consists of:

Linn Majik DS (digital stream player). or Majik CD

Linn Majik I integrated pre-power amplifier.

Linn Majik 6100 - 6 x channels 100w rms.

Linn Majik 140 -4 way loudspeakers.

Linn Aktiv electronic crossovers (4 pr).

Total Price \$ 27,090 (not including speaker cable)

This system gives performance beyond that of any similar priced system.

For the months of September & October we are able to supply free electronic crossovers with the system, saving you \$2600.

This means the September/October price is \$24,490

This system is on demonstration at Linn New Zealand

Either call for appointment or phone to say your coming.
